## NEW! UMAX FusionFit™ Bed Attachment Kit

Our FusionFit Bed Attachment Kit will help keep your rakes, shovels, guns, bows, and other long-handled tools always at-the-ready. Yamaha's FusionFit accessory system provides a tool-less design that allows you to adjust on the fly. An integrated padlock slot gives you the option to easily secure your cargo and go.

- Quick, intuitive, and easy to operate
- Locking tab easily secures unit to bed rail
- FusionFit system:
  - › helps prevent incorrect installation
  - › helps to automatically position unit in place for installation as well as repositioning
- Rubber pads and adjustable clamp prevents slip
- Integrated tie-down point (no additional mounts needed)
- Leading edge has helical ramp to locate channels in bed rail
- Includes a pair of FusionFit bed attachments, enough to complete one bed side.

**NOTE:** Requires use of the separately sold ATV TEK V-GRIP™ or ATV TEK FLEXGRIP™ (both of which are available in singles and doubles). Visit [ShopYamaha.com](http://ShopYamaha.com) to see all options.

Fits UMAX One EFI, UMAX Two EFI, UMAX Two AC, UMAX Range Picker  
**J0G-F34A0-V0-00**

FusionFit system attached to bed rail.

Tool grips attached to FusionFit system for ease of use during heavy-duty jobs. Two kits shown.

Easily adjust the FusionFit system to accommodate various tools.

Grips and other accessories can be quickly interchanged with the FusionFit system.

## AUDIO

### NEW! UMAX Overhead AM/FM Bluetooth<sup>®</sup> Audio System

Instead of playing music through your cellphone speakers, enjoy your favorite tunes through your UMAX Overhead Stereo (with Bluetooth<sup>®</sup>) that can withstand the harshest conditions, takes up none of your cargo space, and gives you impeccable sound quality. (Requires UMAX Sun Top Kit (J0G-K84A0-V0-00), sold separately.)

- Fully weatherproof
- 3.5mm AUX-in and USB charging
- New SSV Works<sup>®</sup> waterproof, marine-grade, 6.5" speakers
- Six Preset Equalizer options
- Bluetooth<sup>®</sup>, AM/FM tuner with LCD backlit display and internally integrated antenna
- Integrated, hyper-white, six LED dome light
- Includes wiring, mounting hardware, and step-by-step instructions (simple 2-wire installation)

Fits UMAX One EFI, UMAX Two EFI, UMAX Two AC  
**J0G-H81C0-V0-00**

## COLD WEATHER

### Heated Seat Cover

Experience the epitome of comfort during wintry weather with our renowned Viking<sup>®</sup> Side-by-Side model's Heated Seat Covers.

- Constructed of tough, durable, 600D, solution-dyed fabric
- Controller plugs into the AC outlet
- Hook-and-loop attachment straps
- Automatic 15-minute shut-off safety feature
- Sold individually

**NOTE:** Requires 12v receptacle (ATV-12VPC-00-RC).

Fits all UMAX models  
**2PG-F470B-T0-00**

## COVERS

### NEW! UMAX Storage Cover

Guard your UMAX from the elements (heavy rain, snow, etc.) during storage. We teamed up with Classic Accessories® to create the best storage cover tailored to perfectly fit your new UMAX.

- Secures to the unit with elastic around the perimeter of the bottom edge
- Cover fits over Front Brush Guard (J0G-F85F0-V0-00), Rear Brush Guards (J0G-F85F0-S0-00 and J0G-F85F0-T0-00), and fender flares (deFender Jr. (J0G-F15E0-V0-00) and deFender (J0G-F15E0-T0-00))—each sold separately
- Solution-dyed (renown as the best method of dyeing; the dye solution is 100% permeated through the thread, not just on the surface)
  - › More fade-resistant
  - › More water-resistant
  - › More resistant to the elements
  - › More mildew-resistant
- Up to 600 hours of color fastness (vs. 40 hours of color fastness of competitors)

**PRO TIP!** The Storage Cover is non-branded so you can easily use it across any/all your stocked utility vehicles. (Universal 2-Passenger Utility Vehicle size, 125" L x 52" W x 68" H)

Fits UMAX One EFI, UMAX Two AC, UMAX Two EFI, UMAX Range Picker, and UMAX Standard Fairway Lounge

**J0G-F81A0-V0-00**

### Camo Seat Covers

Indulge your hunter style and protect your stock seats at the same time with these durable polyester seat covers, ideal for any hunter's style as well as any hunting environment.

- Constructed of tough, polyester fabric with polyester lock-stitched thread
- 1" hook and 0.75" loop strap attachments
- Printed Realtree AP® HD camouflage

**NOTE:** The Camo Seat Covers are from Yamaha's Viking utility Side-by-Side that features three to six seats. When ordering for your UMAX, the set will include three seat bottom covers, three seat back covers, and three headrest covers.

Fits all UMAX models  
**2PG-F470B-R0-00**

## GOLF

### Ball Picker Mount Kit

Easily connect the ball picker of your choice to the UMAX with this mount kit. Includes bracket. Available summer 2018.

Fits UMAX Range Picker  
**J0G-F28M2-B0-00**

*Ball pickers shown not included*

## LIGHTING/ ELECTRICAL

### Bullet Accessory Lights

Make visibility easier with these 2.5" accessory lights that make an invaluable addition when pointing light where your headlights can't reach. Our 10w LEDs shine an extremely bright beam while drawing very little power. Their compact size makes them versatile and allows you to mount them to just about anywhere on your UMAX.

- Available in Spot (long distance) or Flood (wide) beam patterns
- Can be mounted on any flat area
- 360° adjustability
- Sold in pairs and includes a harness and switch

**NOTE:** Accessory Mount Clamps (2HC-F34A0-V0-00) required for installation on Support Sunroof Top or Front Brush Guards, all sold separately.

Fits UMAX One EFI, UMAX Two EFI, UMAX Two AC  
**2HC-H4104-L0-00 (Flood)**  
**2HC-H4104-V0-00 (Spot)**

### Accessory Mount Clamps

These 1.5" clamps allow you to rigidly mount additions, like the Bullet Accessory Lights, to help further secure any fitting accessory.

- Perfect for the Bullet Accessory Light kits (2HC-H4104-V0-00 and 2HC-H4104-L0-00)
- Black anodized aluminum material for long-lasting durability

Fits UMAX One EFI, UMAX Two EFI, UMAX Two AC  
**2HC-F34A0-V0-00**

## LIGHTING/ELECTRICAL

### NEW! UMAX Backlit Yamaha Logo

Give your UMAX even more rugged flare by adding the Yamaha backlit logo on the front grill. Add an intimidatingly gritty edge to the appearance of your front grill that'll make everyone else envious.

- Injection-molded ABS plastic
- High-quality Cree® LED bulbs
- LED brand – Cree® XLamp® ML-B LEDs (high performance, high efficiency, RoHS and REACH compliant, UL® recognized LED components)
- System Power – 6w (450mA at 12v)
- LED IP-Rating – IP65
- Instruction Notes:
  - › Yamaha Backlit logo requires customer to cut out existing logo. (Cutout template included.)
  - › Front fascia and rear panel of backlit logo sandwich existing grill and are to be secured with two screws.

Fits all UMAX models  
**JOG-H4104-V0-00**

### NEW! UMAX Multi-Function Meter Kit

Built to integrate seamlessly with your UMAX's lines, this gauge cleanly displays the time, speed, accumulated run-time, distances, and more. We teamed up with the renown Trail Tech® crew to create this multi-function meter kit specifically for your UMAX so you can always have your essential info at-the-ready.

- Display shows: real-time speedometer, average/max speed, odometer, and run-time (trip one, trip two, and accumulated)
- Separate left- and right-hand turn signal indicators and headlight indicator (a UMAX Upgrade Light Kit is required for this functionality)
- Constant backlight with key "on" for low-light situations
- Automatic wake-up mode (meter turns on automatically with a button press, wheel movement, or external power)
- Automatic sleep mode (meter turns off after 180 seconds of inactivity)
- Bezel made from injection-molded ABS polypropylene plastic
- Plug-and-play harness
- Includes meter, bezel, wheel speed sensor, harness, and stainless steel hardware

Fits all UMAX models  
**JOG-H35H0-V0-00**

## LIGHTING/ELECTRICAL

### NEW! UMAX Taillights

Increase the visibility of your UMAX when operating at night or in low-light conditions by adding these LED taillights.

- Molded-in, factory recess for easy installation
- Meets ANSI/ILTV Z135-2012 and SAE J586 and SAE J588
- 0.46 A/light at 13.8v or 0.35 A at 12v
- 38 SMD<sup>®</sup> LEDs (each light)
- LED IP-Rating – IP67
- Bezel and housing made from polycarbonate (virtually indestructible)
- Integrated GORE-TEX<sup>®</sup> patch to prevent moisture and condensation
- All parts are injection-molded for an exact fit
- Also includes stop and turn signal functions when part of an Upgrade Light Kit\*

**\*NOTE:** Stop and turn signal functions require the Premium Upgrade Light Kit (J0G-H4503-T0-00) or the Ultra-Premium Upgrade Light Kit (J0G-H4503-S0-00), both sold separately. (Taillights are included in both upgrade kits.)

Fits all UMAX models

### NEW! UMAX Light Upgrade Kits

With the UMAX Premium Light Kit or the UMAX Ultra-Premium Light Kit, safely light your path and keep others informed throughout your travels. Both Premium and Ultra-Premium Light kits include Yamaha's exclusive new plug-and-play wiring harness that is fully expandable for further upgrades — such as turn signal indicator LED lights and center, high-mount stop/turn/tail LED light.

- Plug-and-play installation
- Harness is weather-tight with sealed connectors
- Kits use an all new phosphor-coated chip-on-board (COB) module that features full-power flashing amber LED front turn signals and are easy to install using the front amber turn signal lens
- Turn signal stalk incorporates the headlight off-low-high beam selector knob
- Turn signal handle with integrated horn button
- Premium Light Kit has basic amber LED front turn signal chip-on-board (COB) module
- Ultra-Premium Light Kit adds premium white LED accent/amber LED front turn signal chip-on-board (COB) module
- All Yamaha light kits include all necessary mounting hardware and detailed instructions with pictures.

Fits all UMAX models

## PROTECTION

### NEW! UMAX Front Brush Guards

Venture on- and off-trail with the added protection of one of our Front Brush Guards that seamlessly integrate with the aggressive front profile of your UMAX. Also helps protect the bold look of the grill, hood, and cowl, longer.

- E-coat and satin, black powder-coated finish with a durable, textured surface that matches roof supports and arm rests
- Easily mounts to frame rail using four bolts
- Reuses skid plate
- Pre-drilled holes for easy installation
- Durable, 1.5" bent steel tubing construction that accommodates a wide variety of mounts (to add auxiliary lighting)
- 3mm-thick mounting tabs allow for the addition of auxiliary lights
- Includes front brush guard, mounting hardware, and detailed installation instructions

**PRO TIP!** For even more protection from brush and debris, add the Rear Tubular Brush Guard (J0G-F85F0-S0-00) and Side Steps (J0G-F11E0-V0-00), both sold separately.

Fits UMAX One EFI, UMAX Two EFI, UMAX Two AC, UMAX Standard Fairway Lounge, UMAX Deluxe Fairway Lounge

## PROTECTION

### NEW! UMAX Rear Tubular Brush Guard

Help prevent damage to your rear and side panels all while perfectly matching the body lines of your UMAX with our Rear Tubular Brush Guard.

- Retains full access to factory 2" receiver:
  - › Maintains utility versatility
  - › Towing capable
- No interference with UMAX One tilting bed and fold-down tailgate functions. (Interferes with UMAX Two models' bed-lift functions.)
- Two locations for mounting points:
  - › Stronger durability with two mounting locations
  - › Pre-drilled factory holes enable easy mounting into frame rail
  - › Four bolts for a sturdier hold that prevents wobbling
- E-coat and satin, black, powder-coated finish
- Durable 1" and 1.5" bent steel tubing construction fits a wide variety of mounts to add additional lighting
- Strong 3mm-thick mounting tabs
- Durable, textured surface matches roof support and arm rests
- Accepts most straight and drop-hitch ball mounts
- Includes rear brush guard, mounting hardware, and detailed installation instructions

**PRO TIP!** Create the ultimate brush force field by adding the Front Brush Guard (J0G-F85F0-V0-00), sold separately.

Fits UMAX One EFI, UMAX Range Picker, UMAX Standard Fairway Lounge, UMAX Deluxe Fairway Lounge

## PROTECTION

### NEW! UMAX Rear Sheet Brush Guard

Give your UMAX's rear panels the ultimate in protection from damage and debris while enhancing its rugged appeal.

- Accepts most straight and drop-hitch ball mounts
- Retains full access to factory 2" receiver:
  - › Maintains utility versatility
  - › Towing capable
- No interference with UMAX One tilting bed and fold-down tailgate functions. (Interferes with UMAX Two models' bed-lift functions.)
- Two locations for mounting points:
  - › Stronger durability with two mounting locations
  - › Pre-drilled factory holes enables easy mounting into frame rail
  - › Four bolts for a sturdier hold that prevents wobbling

**PRO TIP!** Get all-around protection by adding the Front Brush Guard (J0G-F85F0-V0-00), sold separately.

Fits UMAX One EFI, UMAX Range Picker, UMAX Standard Fairway Lounge, UMAX Deluxe Fairway Lounge

**J0G-F85F0-T0-00**

### NEW! UMAX Cargo Bed Mat

Keep your cargo bed in "fresh out the box" condition with our wear-resistant, durable Cargo Bed Mat. Made from a proprietary 10mm-thick, reinforced, engineered rubber that slows bed wear as it reduces noise and resonance when transporting cargo. Also, the mat's rough-and-tough styling perfectly matches your UMAX's look while the aggressive lug pattern helps prevent cargo from sliding.

- Embossed Yamaha logo
- Large lugs for superior traction
- Easy to remove and clean
- Includes a durable, 10mm-thick, proprietary, engineered rubber:
  - › Exceeds ASTM-D-2240 for hardness
  - › Exceeds ASTM-D-424 for tensile strength
  - › Exceeds ASTM-D-424 for elongation
  - › Exceeds ASTM-D-624 for tear resistance

**NOTE:** Fits UMAX Two EFI/AC as is. Cutting of the mat is required to fit UMAX One EFI model.

Fits UMAX One EFI, UMAX Two EFI, UMAX Two AC, UMAX Range Picker

**J0G-F7302-V0-00**

## PROTECTION

### NEW! UMAX Side Steps

Experience easier entry and exit while adding protection for on- and off-course ventures. Designed to seamlessly integrate with the underside of the footrest and protect the side sill all while complementing the style of the UMAX's aggressively edgy look.

- Manufactured from welded steel
- Textured, black, e-coat, powder-coated finish that matches arm rests and sun top supports
- Supports up to 300 lb. (136kg)
- Includes side steps, mounting hardware, and detailed installation instructions
- (Installation Note: Works with factory 20" tires. Will not work with oversized tires.)

**PRO TIP!** Pairs perfectly with the Rear Tubular Brush Guard (J0G-F85F0-S0-00) and Front Brush Guard (J0G-F85F0-V0-00), both sold separately.

Fits all UMAX models, Drive<sup>2</sup> DC and AC Electric (2017~)

**J0G-F11E0-V0-00**

### NEW! UMAX Rear Arm Skid Plate

Tackle rugged terrain with confidence after installing our Rear Arm Skid Plate to help guard against large rocks and other obstructive debris from harming your transaxle—all while perfecting your UMAX's tough styling.

- Can be installed in conjunction with the factory lower rear arm cover
- Uses factory mounting locations
- Includes all necessary hardware
- High-tech, one-piece design with a powder-coated finish
- Constructed of strong, lightweight, mild steel sheet metal

Fits UMAX One EFI, UMAX Two EFI, UMAX Two AC

## TRIM & ACCENTS

### Bomber Mirror by Assault Industries™

The Assault Industries™ Bomber series side mirrors are made from high-grade aluminum and lightweight polymer materials. These mirrors feature sleek, aggressive styling. These well designed, highly adjustable mirrors provide exceptional rearward visibility. The break away design helps to prevent crushing damage to the mirror by allowing it fold away on impact. Clamps (sold individually) needed for installation.

- Wide range of adjustability
- Clamps with patent-pending design sold separately
- Lightweight

Fits UMAX One EFI, UMAX Two EFI, UMAX Two AC  
**ACC-MIRBM-00-BK**

### Explorer Mirror by Assault Industries™

Expanding from the success of Yamaha's Assault Bomber Mirrors, we have collaborated with Assault Industries™ to provide a mirror solution for all applications. This Explorer Mirror by Assault Industries™ was designed for the outdoor adventure seeker! These mirrors feature the greatest range of visibility. The housing made from high-impact polymer for lightness and durability. Clamps below (sold separately) required for installation.

- Wide range of adjustability
- Clamps with patent-pending design sold separately
- Lightweight

Fits UMAX One EFI, UMAX Two EFI, UMAX Two AC  
**ACC-MIREX-00-BK**

### Mounting Clamps by Assault Industries™

Mounting Clamps needed to install both the Bomber and Explorer Mirrors by Assault Industries™.

Universal fitment  
**ACC-CLAMP-15-01 (1.5")**

## WINDSHIELDS/ WIND PROTECTION

### UMAX Windshields

Designed with higher impact-resistance, greater tensile and flexural strength, and more UV-resistance than ever before. Our versatile windshields are specifically crafted to complete the look of the UMAX all while providing a defense against wind, UV, and debris. All available summer 2018.

- Polycarbonate construction makes windshield virtually indestructible
- Contoured to cowl to provide maximum protection from the elements
- Mounted with floating rubber grommets for a secure fit
- Lower-center support to reduce flex from vibration and wind
- Minimal optical distortion
- High resistance to:
  - › impacts (less chances of cracking or breaking)
  - › chemicals (less chances of cracking or loss of optimal clarity)
  - › heat (less chances of deformation, swelling, peeling, or cracking)
- Superior weatherability (less chances of swelling, peeling, cracking, or turning yellow)
- Superior UV characteristics (less chances of fading, changing in color, and becoming brittle over time)

Hinged versions feature:

- Industry-exclusive, mechanical hinge
- Easy to use upper and lower rubber latches that secure windshield in upright and folded positions
- "T" parts and double bend to add rigidity

Fits UMAX One EFI , UMAX Two EFI, UMAX Two AC,  
UMAX Range Picker, UMAX Standard Fairway Lounge
