Transportation

The transportation price will depend on the exact location, number of cars, and date/time requested. Deliveries or pick-ups requested outside of our normal business hours will be subject to an additional \$100 overtime/after-hours fee per trip. A transportation quote will be provided upon receipt of a completed Rental Reservation form.

Insurance

Acquiring liability insurance is required. Please review the separate document title “RENTAL INSURANCE LETTER” for details.

Reservation

To make a reservation, the first step is to complete and submit the Rental Reservation form on our [website](#). Second step is to review our insurance letter and secure the required liability insurance. At that point, we will be able to provide a rental agreement for signature and once we receive back the signed, executed rental agreement, the rental will be in place and confirmed.

Golf car rental reservations are officially booked and confirmed only after rental agreement is signed, dated, and returned, AND liability insurance has been secured. All rental reservations must be placed no later than 72 hours of requested delivery.

Please contact us at (916) 652-9078 or rentals@gilchristgolfcars.com if you have any questions. Thank you!
